

INVESTOR CABIN KIT • WITH LOFT

Matineda II

Hand-crafted in Kalkaska, Michigan • since 1967

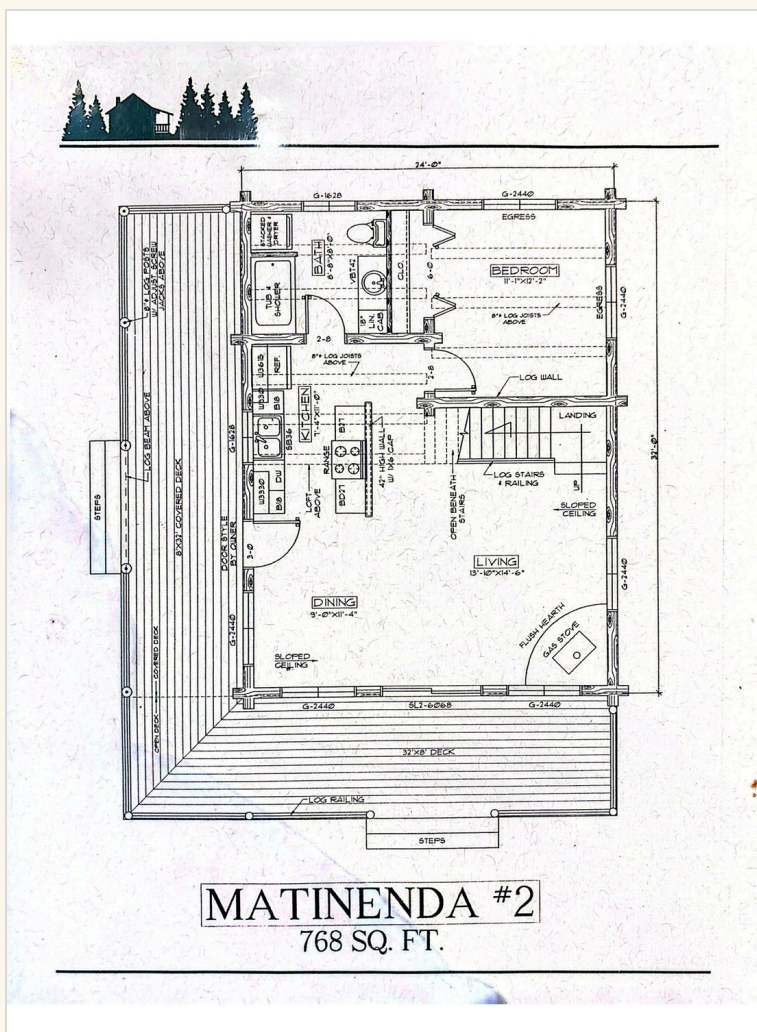

FOOTPRINT
24' × 32'

FINISHED
1,056 sq ft finished

LOG WALL PACKAGE, DOORS &
WINDOWS
\$74,000

A full-log cabin with a loft — the most living space of the three kits, and the one that sleeps the most guests per night.

The floor plan

Standard with every kit

- ✓ **8" full logs**
Full-log exterior and interior walls.
- ✓ **Exterior gable log siding**
Finished to match the walls.
- ✓ **Pella Encompass windows & slider**
Plus a steel-insulated 9-lite entrance door.
- ✓ **Complete blueprints**
Build-ready plans included.
- ✓ **Milled in Kalkaska**
From the same stock as our custom homes.

Trim is not included. Shipping is included in the kit price — kits ship worldwide, crated and ready to raise on your foundation.
